

MARIONETTE

Written by Simon Dekker

We see a woman's face in close up. She appears to be struggling. Cut wide to reveal she has strings attached to her arms and legs, strings that appear to control her movements.

VO: Seems like some energy companies enjoy stringing you along, having you believe their contracts are the answer to changing energy prices.

A series of graphics follow: EasyMax by Enmax Energy; \$100 in EasyMax Savings every year; Price protection; Cancel without penalty.

VO: With EasyMax by Enmax Energy, Albertans can combine gas and electricity and get one hundred dollars in EasyMax savings every year. Plus you get price protection and you can cancel without penalty.

Cut back to marionette woman - she is cutting the last of her strings with a set of oversized red scissors. Freeing herself, she stands proudly.

VO: So don't get strung along with complex contracts and high rates. Visit Enmax.com today.
