Camp Activities

Base Camp

Base Camp is located in the Children's Playroom, a bright, entertaining, and inviting place—just for kids. It's full of toys, games, movies, and more!

Off Property Activities

Participants in the morning and full-day sessions of the Explorers Kids' Camp will hike off property on well marked trails. Along the way, they will see how water sculpts and shapes this rocky landscape, why water is so important to plants, animals and people, and how to help protect this important resource.

All children participating in off-property activities should be dressed for mountain weather. Make sure they have a warm sweater or jacket, footwear that is flat-soled and sturdy, and don't forget to send along a hat and sunscreen.

Swimming

Playing in the pool is a healthy and fun way for kids to spend the day.

Children in the full-day and afternoon session must be able to swim.
